

TERMS AND CONDITIONS

Effective June 11, 2022

We have a onetime Registration Fee of \$25.00 (all prices, costs, and fees, herein, are in US Dollars), which will appear on your first invoice. PayPal (www.paypal.com) is currently our only accepted method of payment. Once registered as a client, we will provide you with the product shipping address.

New clients will be billed upon completion of processing each order, with payment due prior to shipping. Product will be released for shipment immediately upon receipt of payment. Once established as a compliant account, we will bill biweekly, invoicing the 1st and the 15th of each month, with payment due no later than the 10th and 25th of each month, respectively. If payment is past due, product will not be shipped until the balance is paid in full. If payment is not made in full within 30 days from invoice date, a past-due fee of \$20 will accrue weekly. If full payment, including fees, is not received within 60 days from invoice date, all product will be forfeit. An account with no outbound activity within 60 days will be closed and notice will be given two weeks prior to the closing date. Any remaining product will be forfeit. Exceptions include reasonable allowance for vacation time with prior notice or emergency situations.

Our processing time is 24 to 72 business hours, beginning when all the items are received, and an approved shipping plan is available. Exceptions include: extra-large orders; atypical sized items or preparation; hazardous weather; illness; occasional vacation; an additional 24 hours may be needed from October through December. Shipping is also dependent on Amazon's warehouse approval.

Products will be stored for no more than 30 days, unless awaiting warehouse approval from Amazon. After 30 days, all remaining approved products will be subject to a monthly fee of \$30 per month. If circumstances necessitate, you may be asked to temporarily suspend shipment of any new orders to us. Exceptions include reasonable allowance for vacation time with prior notice or emergency situations. Significant changes in product types, sizes, prepping needs or major quantity increases require notice before being drop shipped. Damaged, expired and "extra" products will be discarded after 30 days unless otherwise advised via email. You will be responsible for any costs associated with alternate handling of non-discarded items.

Individual items must weigh 30lbs or less. Amazon requires each box in a shipment to be 50lbs or less. Boxes will not weigh more than 45lbs. When preparing your shipment, we will use the least number of boxes possible. You pay shipping directly, however, we can prepare your shipments for you via Amazon Seller Central with your permission, free of charge. Alternatively, we can provide you with the shipment specs and you can send us the shipping labels. WE ship out via United Parcel Service (UPS), Amazon preferred carrier.

Copies of orders, receipts and packing slips will be kept for up to one year, then discarded.
